MEMORANDUM FOR: Deputy Director for Intelligence
FROM: Deputy Director of Central Intelligence
SUBJECT: Tasking from Shultz Friday Lunch

1. China: The Secretary would like a paper on what do we want and where do we want to go in our relationship with China.

2. USSR/China: Have the USSR folks prepare a paper on how the USSR views its current relationship with China and where it's going. Have the China people prepare a paper from China's viewpoint. Shultz asked that these papers be done independently and not mix the USSR and China analyses.

3. Shultz's travel: Continue to feed papers to Shultz preparatory to his visit to South America and also for his visit to China which will be sometime in January (I think).
